

Dry Air Systems/Fluid Power Controls Line Card

Airtec Pneumatics: Valves, Cylinders, Air Preparation, Vacuum Generation 	Dixon Boss: Valve And Couplings From 1/8" To 8" 
Alkon Corporation: Valves, Fittings, Flow Controlled, Full Line of DOT Products 	Master Pneumatic: Air Filtration, Treatment & Injection Lubrication 
American Cylinders: Round Line Aluminum, Stainless Cylinders 	Memco: Miniature Fittings 
Anderson Fittings: Full Line of Brass & Steel Fittings 	Mid American Fitting Inc.: Brass & Steel Fittings 
Canfield Industries: Read Switches, Solenoid Connectors, Solenoid Timers 	Peter Paul: Valve & Valve Operators 
Control Devices Inc.: ASME valves, compressor controls, drain act 	Shire Industries: Custom Designed & Manufactured Electronic Boards And Devices
Control Micro Systems: Electronics Boards & Bluetooth Devices Custom Designed	Spartan Scientific: Valves and operators 
Daughtridge Sales: Pressure & Temperature ,Gauges, Switches, Accessories 	Tescom Pressure Controls: High Pressure Regulators & Valves 
Dry Air Systems: Innovator of New Regenerative Desiccant Air Dryers 	Thermal Transfer: Heat exchangers 

SPECIFIC DESIGN ENGINEERING:

Complete CNC Machining	Pneumatic Systems Design
Custom Pneumatic Designs	Desiccant Dryer Systems Valve Systems Control Valves

Miniature High Pressure Regulators:
e.g. Open Flow, Solenoid, Push Button
