Dry Air Systems/Fluid Power Controls Line Card

Airtec Pneumatics: Valves, Cylinders, Air Preparation, Vacuum Generation	 Dixon Boss: Valve And Couplings From 1/8" To 8"
Alkon Corporation: Valves, Fittings, Flow Controlled, Full Line of DOT Products	 Master Pneumatic: Air Filtration, Treatment & Injection Lubrication
American Cylinders: Round Line Aluminum, Stainless Cylinders	 Memco: Miniature Fittings
Anderson Fittings: Full Line of Brass & Steel Fittings	 Mid American Fitting Inc.: Brass & Steel Fittings
Canfield Industries: Read Switches, Solenoid Connectors, Solenoid Timers	 Peter Paul: Valve & Valve Operators
Control Devices Inc.: ASME valves, compressor controls, drain act	 Shire Industries: Custom Designed & Manufactured Electronic Boards And Devices
Control Micro Systems: Electronics Boards & Bluetooth Devices Custom Designed	Spartan Scientific: Valves and operators
Daughtridge Sales: Pressure & Temperature ,Gauges, Switches, Accessories	 Tescom Pressure Controls: High Pressure Regulators & Valves
Dry Air Systems: Innovator of New Regenerative Desiccant Air Dryers	 Thermal Transfer: Heat exchangers

SPECIFIC DESIGN ENGINEERING:

Complete CNC Machining	Pneumatic Systems Design
Custom Pneumatic Designs	Desiccant Dryer Systems Valve Systems Control Valves

**Miniature High Pressure Regulators:
e.g. Open Flow, Solenoid, Push Button**
